GREAT EXPECTATIONS: WHAT THE FUTURE HOLDS . . .

“Bethany will someday be one of those institutions that will have maintained and strengthened it’s liberal arts core.”

— President Cummins —

On July 1st, 1988 President D. Duane Cummins, of Missouri, replaced former president Todd Bullard. President Cummins holds degrees from Phillips University of Denver, and the University of Oklahoma.

The “rich tradition” of academic excellence and the quality of students, faculty and staff along with the beauty and location lured President Cummins to Bethany. He considers Bethany “well above the typical small liberal arts colleges in the U.S.”

His “Brick and Mortar” plans include the renovation of the existing fieldhouse and the construction of a new intramural facility, the modernization to the library and the renovation of Oglebay Hall. His top priority is the renovation of the Alumni fieldhouse, which will begin in the Spring of '89. Also, an updated infirmary will replace the existing infirmary.

The new Health and Recreation Complex will replace the outdoor tennis courts next to the fieldhouse. It will feature three courts which can be used for basketball, volleyball, or indoor tennis. Along the upper perimeter of the courts will be an overhead indoor track. There will also be raquetball courts, a weight room and separate men’s and women’s shower facilities.

President Cummins’ long range goals are to turn Bethany into “the strongest regional liberal arts college” and to become an “educational leader and inovater”. “Bethany will someday be one of those institutions that will have maintained and strengthened its liberal arts core.”

President Cummins does indeed have Great Expectations for Bethany College.

1988 Homecoming Queen Saralyn Dague joyfully hugs her escort Jeff Mangus, after the big announcement.

Lena Mays and Elizabeth Baur helped cheer the team to victory with the Bison #1 fan Father Pat.

Cheerfully braving the cold, Mary Gallagher and Barb Bower enjoy the Homecoming festivities.

STUDENT LIFE

GREAT EXPECTATIONS

Student life ranges anywhere from Homecoming to Bid Day to formals and even cramming into a pinto. One of the most important things that Bethany's Student Life reflects is our close knit community of college students. It is a very common sight to see groups of students get together to just enjoy themselves. That's what student life is all about!

There are some very special moments captured in our student life. Some of these include Spring Weekend, Christmas Formal and the ever popular "Snow Carnival." What ever happen to the snow anyway? Bethany students know how to make the best of any situation.

HOMECOMING

On October 21-22, 1988, Bethany College held its annual Homecoming festivities amid cold and rainy weather. The weekend began with Open Houses for all alumni hosted by the respective sororities, fraternities, and independent housing units. A concert featuring the Del Fuegos was held at the Alumni Field House later Friday evening.

Saturday began with a number of athletic events, including a 32-21

Bison victory over the Grove City Woverines. Saralyn Dague, escorted by Jeff Mangus, was crowned Homecoming Queen during half-time of the Bethany-Grove City football game. Members of the Homecoming Court included: Joani Graf, Sue Ryan, Susie Shears, and Amy Zabrocky. The weekend was capped off by the Homecoming Dance held in the Benedum Commons featuring the Benny Benack Orchestra.

above : Joan Graf of ΦM is escorted by Dave McConahy. *left* : Denise Marshall, the 1987 Homecoming Queen poses with the three ΦM representatives on the Court. L to R, Amy Zabrocky, Sue Ryan, Joan Graf, and Marshall. *below* : $\Delta E \Delta$'s Susie Shears and her escort Chris Granville.

above ΦM 's Sue Ryon and her escort Doug Pettit share a happy moment before the game. *below* Amy Zabrocky of ΦM is all smiles with Jay Bartlett, her escort from $\Delta T \Delta$.

Lena Mays unties balloons to be let off during the halftime festivities.

top: The Alpha Xi's show their support for Susie Shears. above: Dawne, Chante, Amy, and Leah try to manage the balloons in the rain.

The sisters of Alpha Xi are ready to welcome back their alumni.

Matt Hoeniger shows his school spirit while Father Pat looks on nervously.

top: Deanna Bigley and Jim Hoffman came prepared to cheer on the Bison. below: Soccer anyone?

Where's The Snow?

Is this a Snow Carnival or a Sun Carnival?

On Monday February 27th at approximately 6:33 a.m., Student Board of Governors President Jill Holloway was awakened from a sound sleep by a phone call from Dean Bernard. After a few minutes of discussion, it was decided that a Snow Carnival would be declared.

Bethany College has not had a Snow Carnival since 1986 because of a lack of snow. Because of this the rules were relaxed a bit this year so the students would be able to experience a Snow Carnival.

Various activities were scheduled throughout the day such as snow football and snowman building contests, but there was one problem. NO SNOW. There was enough when the Carnival was declared, but throughout the day the snow melted away. But the students still managed to enjoy the day.

Karri Jasko, Carla Burkhart and Kim Meadows braved the cold weather in order to watch the snow football games in the Coal Bowl.

SBOG President Jill Holloway and Snow Carnival Committee Mark Ruppel seem to be enjoying this day of fun and games. Other members of the Snow Carnival Committee includ-

ed: Steve Watson, Grant McLaughlin, and Dawn Troutman. They spent much time planning the various activities and conducting the Snow King and Queen contests.

right and below One of the highlights of the Snow Carnival was the snow football games that went on during the afternoon in the Cool Bowl. All housing units were invited to participate by entering a team of 10 members.

below: At the Snow Carnival dance held at the barn, the Snow King and Queen were announced. They were voted on during lunch and dinner by placing pennies in the appropriate jar. Here this years Snow Queen, Amy Nowalk, and John Richards, the Snow King share a dance. below right: Bubba congratulates "The King."

BID DAY '89

Lisa Johnson and Julie Podboy are ready to welcome the new ΑΞΔ pledges with balloons.

Bid Day. The highlight of the semester for the members of fraternities and sororities at Bethany College. The festivities officially began on February 17 at 7:00 after the Valentine's Day buffet. Freshman girls received their bids at Wailes Theater while the freshman boys got theirs in Weimer Lecture Hall. The new pledges then proceeded to their respective houses to be welcomed by their new sisters and brothers.

Olympic Gold Medalist Greg Louganis visits Bethany as part of Wellness Week

Bethany College Wellness Week spread an epidemic of good health and fitness consciousness across the campus. Students and faculty alike took part in programs that enabled them to become aware of what physical state their body was in.

All over campus students were talking about diet, exercise, calories, and cholesterol. The streets were full of joggers while the lounges of the different housing units were filled with students doing aerobics.

The highlight of the week was a visit by Olympic Gold Medalist Greg Louganis. Commencement Hall was filled to the rim with fans of all ages waiting to catch a glimpse of this famous diver. Louganis sparked the attention of the entire audience when he entered sporting a Bethany College sweatshirt.

The 29 year old diver spoke to the crowd on the topic of "Overcoming Adversity." The presentation was followed by a question and answer period and an autograph session. Louganis brought a spirit of determination and encouragement to all who attended.

How Many People Can You Cram Into a 1977 Pinto?

The first Phi Mu car cram was held on October 19, 1988. The teams were given five minutes to see how many bodies could be squeezed into Sue Ryan's green Pinto.

A total of six teams were entered. One from ΣN , $\Phi K T$, $\Lambda E \Delta$, $Z T A$, a group of freshman, and ΦM . First prize in the women's division went to $\Lambda E \Delta$ with 18 and capturing the prize in the men's division with 16 was $\Phi K T$.

The event drew a large crowd and ΦM has Great Expectations for this new annual event!

The Alpha Xi's race against the clock to squeeze in their 16th person.

Debbie Buxton looks on nervously as the Phi Mu's cram into the car.

Dave Stefanac and Greg Heilmeyer try to decide how to comfortably fit into the car.

BETHANY

Foreign Language DAY

The annual Foreign Language Day at Bethany includes three foreign languages. German Spanish and French. Through out the day many competitions take place. These include recitation competitions, drama music and art competitions as well.

When the day starts to wind down it is also winding up for many. Because now ceremony and award giving time starts. This ceremony is held at the Bethany field house and this year incorporated a theme-history. Three special guests were there. They included Marie Antoinette, Betholven and Cortez. Actually Bethany students in costume, these guests could be scene roaming campus all day only for their identity to be announced at the awards ceremony.

The student director, Toni Sutton was helped by her two assistants, Lori Hood and Jeanett Moniger. The entire day proved to be a huge success and can only offer us great expectations for next year.

Bethany Students make a profit from Foreign Language Day.

PERRY GRESHAM DAY

Visiting students get a tour of Bethany.

Cambell Hall's tribute to past President Perry Gresham, the Perry Gresham Day Parade was held on Saturday April 8, at noon. Several cars were decorated in the usual outlandish fashion for the parade.

Perry Gresham was on hand for the parade which was held after a breakfast for faculty and students at Campbell Hall. After the parade, an all campus party was also held at Campbell.

HOUSING

GREAT EXPECTATIONS

Housing at Bethany is more than just a place to live, it becomes a home away from home. The truly unique quality is that every housing unit, whether you live in Campbell, Woolery, Alpha Sig or Phillips, has its own personality and that's what adds to the flavor of Bethany.

The Bethany College neighborhood is made up of 19 housing units. Although each house is independent within itself, they all unit to form our college campus.

SENIORS

GREAT EXPECTATIONS

Because of Bethany's small enrollement, the senior class is a tightly knit group of individuals. Although seniors are inundated with responsibilities prior to graduation, they set aside time for campus involvement, striving to better the community.

Bethany seniors share a common interest, graduation. Through the hectic times of requirements, senior projects, interviews and comprehensives they have Great Expectations for their future.

TAKE A LOOK . . .

At What's Next

SPORTS

GREAT EXPECTATIONS

Athletics certainly keeps many students busy all year round. One of the unique qualities of Bethany's sports is that all students are encouraged to participate.

Enthusiasm and perserverance were just some of the elements that characterized Bethany's sporting events. With great things ahead we can only gear up for another eventful sport extravaganza! Expectations are always high along with spirits and Bethany support.

FOOTBALL

“We won the games we knew we could win” . . .

Coach Neel

The 1988 Bison football team improved last year's 0-8-1 record to their best mark since 1983, which was 4-5. The team had Great Expectations this year and the leadership and strength provided by the eleven seniors was the key to the team's overall improvement.

Coach Neel acquired four new, well-seasoned mentors to help build a foundation for the future. The year's turn around included a 3-1 record at home, as well as a Bison victory on the road, the first since 1983.

Quarterback Jamie Hamm was elected as the team's most valuable player and also named PAC

player of the week. In addition to being given Honorable Mention All Conference, Hamm also led the PAC in passing and total offense. Flanker, Dan Reilly was named second team All-PAC as well as first team All District by the Pittsburgh Press. Other Bison named second team All-PAC included: co-captains Wayne Zelinsky and Paul Milinkovich and nose guard Brian Kolb. John Cominsky, Troy Costain, and Cole Vulgamore were PAC honorable mentions.

"The Bison are looking forward to bigger and better things in 1989," said coach Neel. "All we have to do now is stick together, work hard in the off-season, in order to be more competitive in the conference, and build on what we've established here in 1988."

Bottom Row L-R: Coach Wally Neel, Teddy Jackson, John Erfort, Dave Stromp, Dave Fry, Brian Kopp, Kurt Kostur, Eric Davis, Dan Bradley, Scott Hunt, Cole Vulgamore, Jamie Hamm, Coach Retton.

Co-Captains Wayne Zelinski and Paul Milinkovich, take to the field for the second half against Grove City

Quarterback Jamie Hamm studies the defense before calling the signals.

SOCCER

The 1988 Bethany College Men's Soccer Team once again rolled through their regular season schedule compiling a 13-2 record, while going undefeated in the PAC with a 5-0 mark.

This was the Bison's 17th consecutive conference title in 21 years.

The Bison played much of the season with the number three overall ranking in the NCAA Division III South Region and again secured a spot in the playoffs, which is becoming routine around here.

The Bison took one on the chin in the first round of the playoffs but, in a 5-3 overtime loss to Emory University. This was an utter disappointment because Bethany was

the better team, they just didn't connect on scoring opportunities.

The Bison's final record was an impressive 13-3. Bethany outscored opponents by a 50-10 margin on the year. This included an unheard of statistic that Bethany registered a goal in every conference game. The Bison did not allow a single conference opponent to score a goal against them, and in the CMU game, goalie Omar Jobe didn't even have to make a save. This gives you an idea of the kind of dominance Bethany has displayed in conference play, and if they continue to play well — next year will be the 18th consecutive conference title in 22 years.

Bottom Row L-R: Assistant Coach Graham Ramsay, Eduardo Ibanez, Coach John Cunningham, George Williams, Assistant Coach Jose' Goolaygos. **First Row:** Milo Orsini, Gunther Schuman, Sean Thompson, John Stuart. **Second Row:** Mike Lucey, Jim Dalton, Sean McCann, Helko Freitag. **Third Row:** Connor Faloona, Ralph Severino, John Borchart, Max Melnhart. **Fourth Row:** Alex Robson, Dave Lewis, Ebou Conatch, Rob Quinn. **Fifth Row:** Matt McLeod, Steve Leko, Derek Ely, John Ault. **Sixth Row:** Jaafar Bennouna, Omar Jobe, Jack Scaeffler, Horacio Avelro, manager Tom Jingoil.

Senior Milo Orsini clears the ball from the Bison defensive zone.

Freshman Heiko Freitag blasts a pass to a waiting Bison forward.

Freshman Dave Lewis looks on as the Hiram goaltender moves over anticipating a shot on goal.

FIELD HOCKEY

The Field Hockey Team, made up of 3 juniors, 8 sophomores, and 4 freshman, had a year filled with enthusiasm and determination. Although the team did not have a winning season, "the team improved a great deal as the season went on," said Coach Forsty.

Second year captain and defender, Kim Griffith, was the leading scorer. Next years captains, along with Kim are Mary Gallagher and Page

Pertz, both juniors this year.

Since only 4 out of the 15 players ever played field hockey prior to Bethany, there was a vast amount of teaching as well as improvement going on. The team has Great Expectations for next year. Infact, Coach Forsty plans to concentrate on recruiting more experienced players for the upcoming season.

Bottom Row Left to Right: Connie Lampenfield, Taylir Linden, Kim Griffith, Joanne Jacobs, Ann Aguiar, Kelly Jo Crawford, Erin Jenkins, Kathy Baker **First Row:** Coach Jan Forsty, Michelle Richman, Kelly Jaques, Sarah Riggs, Kate Butler, Jodi Pires, Mary Gallagher, Manager, Lynn Alderson, Graduate Assistant, Michelle Crayton.

CROSS COUNTRY

The Cross Country Team had a good season. One of the reasons for their successful season was a dramatic increase in times. The team is larger this year than in past years, it is made up of 7 women and 8 men. The 1988 season was only the second time that the Cross Country members were able to compete as a team.

According to team coach, Joe Lesem, "the team had a strong season and because only two team members are graduating seniors, I expect even greater things from the team in the future." Jim Catherine and Kathy Kelly are graduating but the rest of the team is young enough to provide a strong foundation for next years recruits.

Back Row: Ed Liberatore, Bow Bowman, Jess Kilgore, Jim Catherine, Brian Maracle, Jeff Jeglinski, Tyler Newton, Coach, Joe Lesem **Front Row:** Jennifer Lek, Leah Fiers, Kathy Kelly, Jodi Wolfe, Suzanne McQuiston, Cindy Drake. Not pictured are: Steve Greer, and John Truel.

VOLLEYBALL

The 1988 volleyball team ended the season with an overall record of 7-31, a PAC record of 3-9 and thoughts of a brighter future.

The team had only 7 players. Juniors Robin Sayre and Kris Gibson, sophomores Heidi Fakes, Jodi Diamond, DeLaun Gray and Heather Kidder, along with one freshman, Holly Sensenich. There were no seniors on the team. They feel they have a good nucleus for the coming years since all 7 have experience and are expected to return. Sayre, Gray, Kidder and Sensenich played in all of the teams 95 games with Fakes playing in 94.

At the end of the season, Sayre was ranked 4th in the PAC in spiking aces, Fakes was ranked 6th in

blocked shots, Sensenich was ranked 5th in assists, kiddier was ranked 3rd in serving aces and 6th in assists.

Coach Campanell Komura called Sayre, Fakes and Gipson her team leaders. Sayre received the honor of being named the 2nd team all PAC.

Both Coach Campanell Komura and her players agree that 1988 was a rebuilding year. "We were young, small and inexperienced.", Campanell Komura said. With the returning players plus some good additions through recruiting, the volleyball team should be looking to a brighter future ahead of them.

Bottom Left: Kris Gibson, Robin Sayer, Heidi Fakes, Missy Onderick. Top Left: Shannon Iobst, Jodi Diamond, Holly Jo Sensenich, Amy Nowalk, Heather Kidder, DeLaun Gray, Annmarie Parsh, Coach Campanell Komura.

WOMEN'S SOCCER

This year's girls soccer team was a scappy bunch that hung tough with some of the best teams around.

Coach McGowan said of their schedule, "It was an extremely difficult schedule. Seven of the teams we played were either ranked nationally or made the NCAA playoffs."

Although the girls came up with the short end of the stick a few times, they played well

against every opponent they faced.

One problem the team had was a lack of senior leadership. Infact, there were no seniors on the team. Coach McGowan said he was pleased with his team's performance despite youth and a merciless schedule. He added that we have to mature as a program and come back next year and beat the teams that we are even with.

layers Kristen Aguire and Shelby struggle for possession.

Buffy Biermesser-DEFENSE!

Key player-Kara Williams in action!

MEN'S BASKETBALL

"I was pleased with the effort given by our seniors," said mentor of the Bison hoop squad Jim Zalacca. He added that the senior co-captains, Bill Gallagher and Joe Pustover, provided leadership and played with a lot of heart. The highlights of the season were the big wins at home against conference rivals Carnegie Mellon and Washington & Jefferson, especially the CMU game which was also senior recognition night. The end of the season found Bethany's Bill Gallagher the number four leading scorer in the NCAA Division III, and he was also ranked fifth in three point percentage. The Bison also finished

fifth in the PAC.

Coach Zalacca expressed great excitement about next years cagers, "We have a lot of good young players who got a lot of PT last year and did some good things while they were in there."

The Bison will be losing some experience and leadership, but coach Z expects the younger guys to pick up the slack.

The future of Bison basketball is bright, indeed. Combine a good, young group of men with a seasoned coach and add a new facility and the new recruits and you see that we have the makings of a top Division III program.

Pictured Above L-R: Bottom Row: Jeff Bole, Kris Geruschat, Terry White, Jim Bonifield, Lee Moffatt, Jeff Boyd, Bryan White, Mike Vescio, Randy Butka, Albert Palsa, Top Row: Coach Zalacca, Eddie Marko, Don McFarland, Joe Pustover, Bill Gallagher, Jeff Yourkovich, Scott Wieland, Steve Smithula, Andy Murphy, Doug Haniford.

Sophomore Jeff Yourkovitch slaps in two while Senior Andy Murphy looks on.

Senior sensation, Bill Gallagher, attempts a foul shot with the greatest of ease against Carnegie Mellon.

Freshman starter Chris Gerushcat jokes around before starting a Bison practice.

WOMEN'S BASKETBALL

The Lady Bison didn't have as good a year as they would have liked, but they did come away with a lot of impressive stats and established a good base from which they can build next years team.

Coach Campanell-Komara said of her team, "They played very aggressively and with a lot of intensity. Our record doesn't really give a fair indication of how well we actually played. Most of our losses were by 6 or fewer points.

Some of the teams highlights included Denise Doster being named to the All-conference team. Lisa Wise lead the nation in NCAA Division III for three point shots made percentage at 57% per game until her injury. Freshman Shanley Reeves and Lori Bowerstock turned in 10 points per game and Bowerstock was sixth in conference assists.

Coach Campanell-Komara said she expects great things from the Lady Bisons next year.

Pictured Above L-R:Bottom Row:Nicole Spataro, Renee Proulx, Denise Doster, Dawne Mosier, Lori Bowersock, Shanley Reeves,Top Row:Coach Campnell-Komara, Michelle Crayton-Assis. Lady Bison

Fundamentals

SWIMMING

“The team was probably the hardest working group I’ve seen in 8 years,” said Coach John McGowan. He added that everyone on the team did the best they could and their accomplishments proved it.

Overall, the men’s team earned a 5th place finish in the PAC and the women’s team finished 4th for the year. Coach McGowan noted that the team was hurt by it’s lack of divers and that they lost a few meets by a small number of points, he felt that perhaps if there would have been a few

more divers it would have made the difference between winning and losing.

The women’s team broke 2 school records and 4 of the women as well as one member of the men’s team earned All Conference records.

Perhaps with some lucky breaks the season would’ve turned out differently. Several team members were hindered by sickness and injury. Coach McGowan has Great Expectations about next years season, “There are a lot of people coming back and they are all hard workers.”

Junior Tom Ledyard catches a breather after a long day of practice.

Junior Ed Coleman talks about strategy with a fellow Bison.

A Bison swimmer finishing strong.

HOCKEY

The Bethany Whalers hockey team over came adversity time and again this year as they fought their way to a winning season.

They competed in the Wheeling Amateur Hockey Association (WAHA) which includes West Virginia University, Wheeling College, West Liberty, the Wheeling Flyers and Bethany.

The Whalers battled their way into the playoff but stumbled in the first round. They came back with two key victories to earn a birth in the championship series against Wheeling College. They dropped the first game 7-4 and the second game 10-6. Both games were hard fought contests with fighting suspensions being handed out to both teams. The Whalers have "Great Expectations" for the future.

CHEERLEADERS

Basketball Squad

The 1988-89 Basketball Cheerleaders started what will probably prove to be a successful tradition at Bethany. They were the same squad the Bison Football Team was supported by. By not having two separate squads and only one tryout per year, the girls were able to save time and work together better.

"This squad was always being creative. From sign making to chant writing, the girls 'school spirit showed through,' said Capt. Carla Mae Burkhart. Members of the squad were: Cheri Gryskevich, Connie Tracy and Heather Buhler, Kelly Craig and Amy Hinsken, Missy Tornichio, Sandy Brewer, and Capt. Carla Mae Burkhart. Advisor, coach Jan Forsty.

Football Squad

"Let Her Fall" by Then Jericho served as not only a hlf-time routine song for the 1988-89 cheerleaders, but as a correspondence to th e many trying hours of "falling" girls during practices which helped them to master towers, split-catches, and running back-tucks.

Captain, Carla Burkhart said, "This squad is the most cohesive group I've seen since beginning to cheer here at Bethany 3 years ago.

The girls worked hard and were joined in their football cheering efforts by a group of guy "cheerleaders" called Bubba's Bison Bunch.

GOLF

Jeff Mills, Ken Smith, Sandy Gove, Jamie Hamm and Tom Jingoli. Missing from photo: Darrell Teubner and Coach Teubner.

The Bethany golf team got off to a early start this spring when they headed south to Myrtle Beach for a week of golf at the Bay Tree Golf Plantation. Sixteen golfers included senior captain, Sandy Gove, Darrell Teubner, Jeff Mills, Ken Smith, Joe Benard and Tom Jingoli. The team was lead by their fearless leader, "Diamond Dick" Teubner.

The team played in unseasonably cold weather. With high winds and cold temperatures making for an ugly start. At the PAC invitational, the linksters posted their best team score to date. Junior Jamie Hamm had the best score at the turn only to lose five shots on the back to finish four strikes off the medalist pace.

The grand finale, the PAC championships was held at Avalon Lakes in Warren, Ohio. Juniors, Jeff Mills and Tom Jingoli carded scores of 81 and 82 respectively, good for seventh and ninth places.

Mr. "Long Ball" Jeff Mills won the Long Drive competition. On the second day of competition Kenny, "I got circled." Smith came out to play and posted the third lowest round of the day as he fired an 80. Juniors Jingoli and Mills fired 81 and 85 good enough for second team A PAC Honors. The team finished their season with a two day total of 845.

TRACK

The Bethany College Track and Field team of 1989 stepped up a notch compared to last year's team. Coached by Wally Neel, the Bison placed fourth in the PAC championship. Again, the tracksters did not let down their mentor Neel. Coach Neel was quite pleased with the senior leadership of his team. Two perennial standouts, seniors Enid Cobb and Dave Douglass established their marks at the PAC championships. Cobb placed first in the women's highjump competition again for the Bison. Douglass also placed first in his specialty, the pole vault. These two

seniors will be sadly missed, while Neel hopes that someone will step in to fill their leadership roles. Also placing well for the Bison were junior Ebou Conateh and freshman Tommy Still. Conateh finished second in the 100 meter dash, while the speedster Still finished second to the PAC's number one sprinter Jeff Cass of Hiram. It was a good day for the Bison 4x400 relay team as they took the first spot at the PAC championship. With upgraded performance this year, the Bison and Wally Neel have "Great Expectations" for next year.

LACROSSE

It was a rebuilding year for the 1989 Bethany Lacrosse team. Graduating only 5 seniors, the future for the Lacrosse men looks quite promising. Tom Holstead, the leading scorer from the attack position will be returning for his senior year along with two year defensive standout Jim Buttista. Though the team finished under 500 for the year, five losses came in sudden death. Graduating senior standouts were Milo Orsini, Chip Hanson, Steve "Killer" Scott, Matt Elliot and Ed Baney. These men showed excellent leadership in their years of Lacrosse at Bethany, but the future looks bright. Juniors Clay Hoxton, Tom Halstead and Rob Quinn look to be leaders next spring along with sophomore Max Meinhardt.

After a tough game, Rob Quinn and John Costa celebrate with loyal fans and friends

Junior Rob Quinn charges after the ball.

Sophomore Max Meinhardt weaves his way through Pittsburgh opponents to set up a goal.

BASEBALL

Like their women counterparts on the softball team the men's baseball team weathered a rough start to pull out a decent season.

Playing much bigger teams, the Bison suffered straight loss on the North Carolina spring break tour. But first year coach Jeff Jenkins kept his team together and they finished with a 12-23 record overall, including a 10-10 record in the conference. Ten of those losses were by one run. The team finished the season strong, winning 5 of its last 6 games.

Overall, the team ended the season with a .250 batting average. Leading the way for the Bison were Chris Rice, .318, Frank Indorf, .313, and freshman Terry White at .333. On the mound, both freshman

Dave Stromp and Jim Delbrugge finished the season with 4 wins a piece with Indorf getting 3.

The team has great things to look forward to in the future. They are only losing one senior, Dave Fry. The entire infield was comprised of freshman.

Jenkins was visibly excited about the future. "With an entire infield comprised of freshman and 2 freshman pitchers getting 4 wins a piece, we obviously have a strong base for next year. If everyone returns, the team should mature together in the coming years. We won 5 out of our last 6 games and we're hoping to keep the ball ruling next year." We hope the coach's visions become reality.

Junior hurler Joe Fischer, on his day off, helps the team by taking stats.

Bison big hitter, junior Eric Gast, anxiously awaits a John Carroll pitch.

Rifle arm junior catcher, John Schweinburg steps out of the box while the opposing duo have a conference.

SOFTBALL

If you are the kind of person who gets down on a team after a slow start, then the 1989 Bethany Womens Softball team was not for you.

After a 0-6 start, the Lady Bison were looking for a win anyway they could get one, thankfully, they found some.

Coach Jan Forsty's Lady Bison proceeded to win their next 14 games in a row, ans PAC title finiching ina tie for the PAC regular season championship. One final game would decide the title. Ironically, that game was played on a neutral site, Coach Forsty's alمامater, Slippery Rock University. Plagued by bad weather, the team fell that day to Hiram and lost their title.

The team ended the season at 8-3 in the PAC and 14-7 overall. Several players received past season honors. Senior Sue Rouda and junior Robin Sayre were named First team all PAC, senior Deanna Bigley and freshman Janna Thaxton received second team recognition, and freshman Lynn Alderson was named Most Valuable Pitcher in the Conference.

With the team only losing seniors, Rouda, Bigley, Michelle Macy and Cheryl Galiano, those remaining can look forward to a team that grows together and hopefully a PAC title in the years to come.

Front Row: Michelle Macy, Deanna Bigley, Sue Rouda. Second Row: Jana Thaxton, Mary Gallagher, Shelly Pietranton, Kim Griffith, Penny Sykes, Deanna Johnson. Third Row: Jim Hoffman, Andrea Willis, Eleisha Kebert, Sharon Erskine, Robert Sayre, Lyn Alderson, Shanley Reeves and Coach Jan Forsty.

ADMINISTRATION

GREAT EXPECTATIONS

The administration/student relationship here at Bethany is unique. Communication between faculty and students is easily obtainable because of selective enrollment.

When problems arise administration takes control. They handle them efficiently with the combination of endurance and an overall caring for the betterment of the student community.

President

Top: President Cummins prepares to march into Convocation. Right: President Cummins in his office.

Dr. D. Duane Cummins was named the new President of Bethany College beginning July 1, 1988. Dr. Cummins has supported the improvements in campus life and student/administration relations as Bethanians can find him lunching in the cafeteria or attending campus and community events. Dr. and Mrs. Cummins have also opened up the top floor of Pendleton Heights to the students to use as a recreation room. Students can also learn crafts at the Heights as Mrs. Cummins shares creative ideas with the members of Bethany's community. Vice President Robert A. Sandercox has helped Dr. Cummins adjust to life as a Bethany College Administrator, as he continues to serve Bethany College with his administrative talents.

Robert A. Sandercox

Vice-President

Deans

The executive Dean of Student Affairs is Dean John Cunningham. Dean Cunningham is a familiar face around campus as he is active with student affairs and campus life. Improving student/faculty relations is one of Dean Cunningham's objectives as well as overseeing a variety of student activities.

Left: Dean Cunningham helps with the graduation ceremonies. Below: Dean Cunningham stands outside of Cramblet Hall.

New to Bethany College in the Spring semester of 1989 is Dean of Faculty, Dr. Richard M. Bernard. Dr. Bernard position involves overseeing Bethany's curriculum, personnel, and the Office of Career and Professional Development.

Dr. Richard M. Bernard

Biology

The Biology Department consists of three active and knowledgeable professors. Drs. Buckelew and Burns have both published papers while Dr. Larson has given seminars on computer and computer adaption to Physiological research. Professors conduct classes in Modern Concepts in Life Science to Endocrinology as well as supporting senior projects like the opening/closing mechanisms of a Venus Fly Trap to growing plants in sand.

Top Right: Dr. Burns,
Dept. Head Dr. Buck-
elew, Dr. Larson

Richardson Hall houses
the Chemistry Library
and classroom.

Dept. Head Dr. Paysen,
Dr. Clinger, Dr. Smith

Upholding the standards set by the American Chemical Society, students majoring in chemistry apply themselves to obtain an understanding of the nature of the physical world and chemistry's place in industry and business. When students graduate with a major in chemistry, they have a thorough and practical education in the field which is useful in relation to industrial, technical, and graduate work.

Chemistry

Communications

Bethany's Communications Department offers a combination of classroom guidance with hands on experience. Experience can be earned through participation in campus media organizations as a disc jockey or newscaster to a newspaper journalist or copy editor. The professors prepare students for careers in today's mass communication field with courses in advertising to international communications.

Back Row: Dept. Head Dr. Shaver, Mr. Teubner; Front Row: Mr. Carty, Mr. [unclear].

Bethanian advisor, Mr. Lesem

Mr. Cooley, Dept. Head Dr. Eilenstein, Mr. Kelly, Mr. Davis

The business department is located on first floor Harlen along with the Office of Career Development. Courses in the department aide students to develop a broad foundation of knowledge in the business and liberal arts. Students are able to take courses in Personal Finance to Investment Management. Students can use the Economic's lounge where the department houses its computers and can join the Society of Business Students to further their education outside the classroom. The Office of Career Development advises students about summer internships, future employment, and work-study jobs.

Economics

Education

The Education department offers degrees in the elementary, middle childhood, and secondary education fields. Bethany is proud of its Education Department as it combines classroom lectures with student participation in surrounding school systems. Professors encourage creativity in the classroom to make learning both interesting and productive. Professors offer class lectures on Human Development to Professional Practicums.

Dr. Kieth, Dr. Davis, Dr. Komorowski, Dept Head, Dr. Sheely, Dr. Barber.

Mr. Taylor at Formal Convocation.

Mr. Mitch, Dept. Head Dr. Grimes, Mr. Taylor (not pictured: Mrs. Cole)

The English Department promotes a greater comprehension and a deeper appreciation of literature and our country's heritage. The Oxford Program, for its tenth year, allowed students to learn about the cultural background of the English people, their literature and their land. English majors can take their liberal arts background into the business and technology fields of today as well as entering the traditional educational fields.

English

Fine and Applied Arts

Visual arts, music, theatre, and communication design are some of the interesting fields the Fine and Applied Arts department supports. Classes are designed to permit students to pursue practice in the arts for personal and profession purposes. Results can be found in theater productions as well as art shows, and choir concerts. Professors from this department also conduct classes in the Interdisciplinary Studies and History departments.

Walt Kornowski, Bob Funk, Kenneth Morgan, and Dept. Head Dr. Judy

Mrs. Allison, Walter Jackson, and Beth Dameier

Mr. M. Schmich, Dept. Head Dr. P. Nelson, Dr. F. Perez.

The Foreign Language Department offers grammar, literature and cultural courses in French, German, and Spanish. New this year students may study Japanese. Bethany gains much respect in the educational world via its Foreign Language Department, which sponsors an annual Foreign Language Day for surrounding high schools. Foreign Language majors are required to spend a semester abroad in the country of their study and many become drill instructors for the beginning foreign language students.

Foreign Language

History

The History Department provides the student with the traditions that are molding today's political, economic, cultural and social environment, therefore allowing students to pursue careers in the teaching, law, government and business fields. Students can take courses in American Political Novel to Weapons and Warfare.

Mr. Kappel, Dept. Head
Dr. Young, Dr. Lozier

Right: Dr. Komorowski, Below: Dr. Sawtarie, Dept. Head,
Dr. Allison, not pictured is Dr. Neff.

Math, Math-Economics, Math-physics, Math-Computer Science, and Math-Education comprise Bethany's Mathematics Department. Students develop a knowledge and appreciation of the nature and uses of mathematics. Students can receive recommendations for certification for math secondary education teaching or the ability to join the growing computer field.

Mathematics & Computer Science

Philosophy

Philosophy is an added benefit of a liberal arts education. The philosophy curriculum is based on recommendations from the American Philosophical Association. A philosopher is able to offer an emphasis on the ability to analyze situations from different angles and determine the most workable solution. Graduates of the philosophy department have created careers in the retail management, social services and educational fields.

Dr. Myers

Front: Maxine Lowe, Back: Dept. Head Jim Zalacca, Billy Fnyenis, Jim Lowich, Janice Forsty, Wally Neel, Lisa Campanell, Michelle Crayton, John McGowan.

The Physical Education Department has two primary goals to enhance the health of its students through athletics activities and to prepare students for a professional career in physical education, recreation, and athletic coaching. Courses offered include First Aid to Introduction to Mammalian Anatomy and Physiology. The program is designed to prepare the student for professional careers in physical education, recreation, athletic coaching in educational, agency and/or municipal institutions, and sports communication.

Physical Education

Physics

The Physics Department, under the direction of Dr. Majid Sawtarie, Department Head, designed to serve as a preparation for graduate study or employment in industry and research. Generally, physics majors are engineering oriented, and therefore, pursue further studies after graduation. Courses include General Physics to Introduction to Classical Quantum Mechanics.

Dept. Head Mr. Majid Sawtarie

The Political Science Department is designed to provide students study in the various areas of American politics such as political institutions and processes, patterns of political behavior, and international relations. The department also attempts to enhance the career objectives of students in the theoretical, technical, and practical dimensions of administration, management, and policy in both the public and private sectors.

Dr. Ossman, Mr. Krause

Politics and Public Policy

Psychology

Dr. J. Hull, Dept. Head, Dr. G. Thompson, and Dr. A. Little are professors of Psychology.

Each of Bethany College's three psychology professors bring their specialized knowledge to the classroom. The Psychology Department is a unique blend of different schools of psychological thought. This diversity results in a well-rounded and complete psychological education. Courses range from General Psychology to a year long program in Experimental Psychology. Courses in Abnormal Psychology and Therapy Techniques are also offered so that students can specialize in a chosen field.

left: Dr. Frank Gorman Bethany's Religious Studies professor. above: Dr. Gorman talks with a student before class.

Change has been the word for the Religious Studies Department as Dr. Frank Gorman joined Bethany's faculty in 1989 upholding Bethany's tradition of a strong religious studies program. The Religious Studies Department does not teach a particular point of view but helps the student in learning how to acquire, evaluate, and use religious knowledge. Students are able to examine the relationship between religion and culture through courses such as Religions of India, Religion of China and Islamic Civilization. A goal of the department is the personal integration of knowledge and faith for an understanding and appreciation of value systems.

Religious Studies

Sociology

Dept. Head Dr. Adkins, Mrs. Coram

The Sociology Department prepares students for professions in education, law enforcement, and the legal field along with the social service professions. Students in the department learn the basic theories, research techniques, and applied practices in sociology. Public welfare, day care health care, prisons, school and institutional health are a few of the various agencies social work students are competent for upon graduation.

Cramblett Hall houses the Sociology Department.

Admissions

Lead by the Director of Admissions, Tom Stein, the Admissions Office selects the future Bethanians. Scheduling events like Kalon, Open House, and interviews with perspective students keeps the Admissions Office busy year round.

Back Row: Tom Stein, Dan Saraceno, Bob Coffield, Front Row: Colleen Casey, Sheryl Greenlee, Susan Lemley, Laura Kemp.

Back Row: Joseph Kurey, Sue Stimpson, Justin Skywatcher, Shirley Jacob, Susan Tate, Beverly Farrar, Front Row: Sandy Neel, Grace Shedkiac, Bunny Hunter, Patty Lowe

The often unrewarded staff of Bethany's Business Office and Computer Center hides away in the bottom floor of Crambler Hall. Students often line up outside the Drawing Account window every tenth day of the month anxious to cash the work-study check they have just received without realizing the amount of work the Business Office is responsible for each day.

As the students wait in line, they can watch Bethanians Computer Room staff printing and processing the information which keeps Bethany College running smoothly. Student phone bills, tuition payments, work-study checks, and the college's finances are all part of the daily work requirements of the Business Office and Computer Room.

Business Office/Computer Room

Dean of Students Office

Often the Dean of Students Office is filled with students questioning financial aide or requesting the time of one of the staff. Helping the students is this departments job as they can help with housing problems, financial aide, or develop student services like the resident assistant program.

Dean of Students Office

Back Row: Gail Teubner, Sharon Reyes, Ted Bunnell, John Cunningham, front: Anne Zalacca, Beth Dameier, Darlene Nicholson, Floryne Williams, Christine Ossman.

Cramblet Hall houses many student services like Dean of Students and the Registrar's Office.

Every student has stood in the line at the Registrar's Office during the pre-registration period but how many students know what else the Registrar's Office does? Well, practicums, grade recording, directory books, and classroom assignments are all arranged through the Registrar's Office as well as the drop-add sessions held each semester.

Mr. John Geismann, Registrar works at his desk.

Registrar's Office

Religious Leaders

Sharon and Saul Reyes are active in many campus events. As leaders of Bethany's Midweek program they aid in finding the balance between religious activities and campus events. Sharon and Saul can be found in Phillips, Harlen, Cramblet and at just about every campus event giving their support to the students of Bethany College.

Sharon and Saul
Reyes

Ann Craft and her brother Hollis.

Need a Book? Well, Bethany College Bookstore is the place to go. The bookstore can supply you with everything the ambitious college student needs from pens to designer sportswear. Every semester the bookstore is flooded with students buying their books for the term, but there is always something interesting to buy for outside of class. Art supplies to posters the bookstore is the place to go.

Bookstore

Renner Union

Renner Union supplies Bethany College with a variety of campus events so there is always something to do on campus. Renner Union supports campus dances, movies, theater, and Spring Weekend activities. Also, Renner Union provides the two recreational halls on campus. Renner Union offers a quiet relaxing atmosphere at their main location with game room located in the bottom floor of Phillips Hall.

Miss Nicholson and Margaret Bowery hold down the fort at Renner Union.

Margaret takes a moment to glance at the paper.
Old Main is the center of Bethany College.

Development and Alumni

Development and Alumni Offices is located at the top floor of Cramblet Hall. The office handles the correspondences with alumni of Bethany College as well as planning special alumni functions on campus.

Front: Beth Vanelle, Pat Cunningham, Shirley Kenip, Emma Kay Henthorn, Back: Robert C. Nolan, Dan Morra, Jerald Fuqua.

Can't find your directory? Just Dial "0". You've heard her voice a thousand times, but have you ever seen Jean DePetro? The next time you walk by Cochran Hall wave to the voice on the phone.

Jean DePetro

Information

Around Campus . . .

Aladdin Food Service provides Bethany with its daily cafeteria needs, delivery pizza service, and caters special events like Spring weekend picnics and holiday dinners.

Above and Right:
Aladdin workers serve
starving students.

The Friendly Post Of-
fice Workers.

Duplications anyone!, Alice "Toby" Bowers and Ellie Hunter.

Need a copy in a flash? Bethany's duplicating center supplies college administrators, faculty, and students with a fast and easy copying service.

Bethany's Housekeeping staff keeps the buildings we use everyday neat and clean. Although it's sometimes difficult to keep up with the mess the students make, the housekeeping staff gains everyone's respect as they accept and meet the challenge.

The Housekeeping Staff poses for a picture in front of Campbell Hall's rainbow.

ORGANIZATIONS

GREAT EXPECTATIONS

Clubs, organizations, and more clubs, the list goes on. If you are willing to get involved there are over 30 ways to do it at Bethany. Not only do all these clubs exist on campus, at least one to satisfy everyone's interest, there are more being formed all the time. If enough people are interested in any certain issue, get together and form a club, that's just about all it takes.

Anyone who says that they are bored hasn't looked into what our clubs and organizations have to offer. If you are involved in a club or organization we can only have great future expectations.

RENNER

UNION

Left to Right: Ed Coleman, Todd Trofimuk, Saralyn Dague, Frank Noble, Taylir Linden and Ken Smith.

TV-3

TV-3 has excelled this year. More programs have given more students opportunities to gain first-hand experience on how a show is run. Two talk shows, and hourly news breaks in the afternoons have premiered in addition to the telecasts of the News Center 3 news show. The hard work of the students involved with TV-3 have paid off with programs that bring the Bethany Community to center stage.

1st Row: Andy Huffmyer, Joe Stefanyak, Lance Short, Susan Hoppe, Christie Dittmar, 2nd Row: Dana Varlotta, Sandy Gove, Jennifer Mattern, Elizabeth Bauer, Nick Varon, Jess Kilgore, Deanne Chenoweth, 3rd Row: Dave Chambers, Janine Driscoll, Darrell Teubner, Dean Iampietro, Jim Callahan, John Lalustis, Rick Keatig, Amy Bair

WVBC

WVBC-88.1 FM is a totally student-run radio station that has been in existence for over twenty years. this year's program director of the station, senior Gary Mulhern, has worked hard to make the programming's progressive rock format into a more professional sound. DJ's now follow a tight scheduling table that pushes for "less talk and more rock." Listeners from Bethany to Pittsburgh have called in to say they enjoy listening to the new sound of WVBC.

Starting Bottom: Gigi Norcross, Kim Harmeyer, Chick Wagner, Jay Fife, Chris Cowden, Bill Burr, Mark Snider, Andre Meissner, Dave Gooding, Dale Roberts, Darrell Teubner, Dave Thorne, Ralph Malanga, Holly Bentz, Ish Strk, Chris Vozech, Theresea Perkins, Saralyn Dague, Jess Kilyore, Gary Mulhern, Tom Brown, John Rogers, Jeff Mangus, Kenny Smith.

AMERICAN CHEMICAL SOCIETY

The Bethany College Student Affiliate Chapter of the American Chemical Society was founded in 1985. Since then, we have gained national recognition for the programs and activities our chapter has sponsored.

The ACS not only benefits those interested in Biology, Chemistry, and related fields, but is also open to anyone who is interested in our activities. The ACS provides an interesting and fun way to explore chemistry with activities like tours to Weirton Steel and the Weir Tech Center. In addition to the guest speakers and student presentations, the Society has improved the ACS student lounge and established an M.D./Ph.D. reference library.

Bottom Left: Frank Shuler, Jeff Carey Beth Snyder, Jen Braun, Charla Anderson, Bur McBride Dave Offord, Ella Harvey.

SOCIETY OF PHYSICS

First Row: Mouein Soutari, Ney Linares, Ahmad Sawtari, Second Row: William Alexander, Gary Trohal, Joe Barnard, Burton Brouard.

The Society of Physics Club's goal is to popularize physics on the Bethany campus, while providing for its members a good environment to appreciate current ideas in physics.

Society of Business Students

The purpose of the Society of Business students was to give the economics and accounting students an opportunity to learn more about their field. They planned to have speakers, field trips, and sponsor all-campus events, including games dealing with the stock market and films at professors' homes. The Societies ultimate goal is to open people up to the opportunity to discuss the business world and meet influential people that work in the world.

First Row: Ann Crowley, Debbie Buxton, George Albert, Vince Devall, Back Row: Kym Tracey, Missy Ondrick, Carl Radakar, Barbara Anderson, Perry Natale, Pat Diedrickson

Circle — K

First Row: Harold Flouhouse, Katherine Coran, Janet Braun, Kathleen Megrath, Second Row: Firas Hamoui, Macel Cyfers, Jenifer Bojanowski, Kathy Brown, Ella Harvey, Ann Schmidt, Third Row: Lance Smith, Jan Watson, Theresia Perkins, Deanne Chenoweth, Miche Augusta, Frank Shuler.

Circle-K International is the largest college organization in the U.S. Bethany's chapter is sponsored by the Kiwanis Clubs of Wellsburg and Bethany-Brook Hills. Circle-K has initiated many worthwhile activities including Saturday School and a foster grandparents program.

FOLIO

Pictured Above L-R: Bottom Row: Sharon McWilliams, Becky Hall, Lori Moran, Dianne Chenowith, Jeanette Moninger, T
Row : Henry Howard, Dave Sloan.

Folio is a magazine about Bethany. Students are assigned to write feature stories. The magazine is usually run by students interested in print media. This year's editor, Lori Moran has managed to feature two publications

this year, one in the winter and a spring edition as well. Photographers are also assigned to take interesting pictures that capture the true life around Bethany. Lori Moran has the main job of pulling everything together.

HARBINGER

The 1989 issue of the Harbinger contained a mixture of thirty-six poems and short stories. The reading and selection of pieces submitted for publication in the Harbinger was done by the seventeen member staff. This year four hundred and forty-five issues of the Harbinger were distributed to the student body. Dr. Grimes served as staff advisor for the Harbinger. This year, the Harbinger's editor was Jeff Fisher (without the "c").

Above: John Chillingworth, Chris Bogusz, Jeff Fisher, Leslie Vavra, Dale Roberts, Heather Hillier, Tom Cambell, Jack Shaeffer.

PR Club

The Public Relations Club here at Bethany has served as a Public Relations firm to campus groups this year. The club has done PR for the Political Affairs Club, Varsity Softball, Delta Tau Delta fraternity, Brook County Faculty, Alpha Psi Omega Honorary and the Bethany Fair. The club has developed a logo for identity. In addition to on campus activities, the club also took a trip into Pittsburgh to visit Ketchum Public Relations with WVU's PR-SSA chapter.

Back Row: John Kren, Lena Mays, Lisa Wurst, Grant McGlaughlin, Front Row Michael Smith, Amy Doaln, Carol Workman, Carla Burkhardt.

Advertising Club

Henry Howard and Manju Gulati.

The Advertising Club is an on-campus service for those students interested in a career in advertising. Through out the school year members visit several advertising agencies in Pittsburgh and the surrounding area. The club also promoted such campus events as Cabaret and The Bethany Fair. They have also attended conferences in Pittsburgh and are allotted the opportunity to make some connections with top advertising professionals.

The Tower

Bethany College, Bethany, West Virginia

TOWER STAFF PUBLISHES 20 ISSUES!

This year the Tower, Bethany's student-run newspaper, published twenty issues, with a circulation of 1000 readers. The paper featured articles whose topics ranged from a profile of the new faculty members to coverage of fraternity and sorority rush. Stories about students who studied abroad the first semester were featured after students returned

from J-Term, as were articles about students who traveled to Central America in January.

Varied opinions about campus life and the outside world were given by news columnists, Theresa Perkins, David Warwick and Sheila Harris. The entire Tower staff worked hard and enthusiastically to make these issues some of the Tower's best!

Bottom Left to Right: Jay Fife, Henry Howard, David Lewis, Second Row: Sarah Bourdette, Gina Mediate, Gigi Norcross, Sue Ryan, Lori Moran, Julie Amatangelo, Kim Harmeyer, Ellen Cowey.

BETHANIAN

The 1989 Bethanian underwent a few changes this year. For starters the yearbook office once in Renner Union, was moved to Cochran. This move was basically for convenience purposes. In the past, layouts and copy were both done in the conventional way. This would entail typing out copy on a typewriter and submitting it with the perspective layout. This year however, we've modernized our procedures a little and now make use of Type Vision on an IBM computer. Reluctant at first, editors Marybeth and Lisa were not sure they would get the hang of it. But in due time it became an easy more effective way to submit copy.

First semester was characterized with attempts to get organized, meeting with our yearbook representative and efforts to get a staff together that sometimes seemed a bit idle. But without despair, we've managed to make it this far, although sometimes we felt we would never make it. This feeling probably stems back to the end of September. Our yearbook representative was coming to Bethany to conduct a yearbook workshop and teach the students we managed to coax to be on the staff a thing or two about layouts, cropping, copy etc.. For his work-

shop he needed a black board. Since there wasn't one in Renner Too, where he was going to be, the editors, Lisa and Marybeth dragged a huge board from the communications lab room up the back hill behind Cochran and Cramblet Hall. Once they got it there they were faced with the trouble of getting it back.

Second semester has had its share of events as well. Finding pictures has been a big problem for us, and then we found Dave, our photographer/developer. Although he was a difficult person to track down he has managed to come thru for us in a clutch. We were lucky to have some of the editors we did. Sally Seltz, senior editor, was the most productive and organized editor. She was given her assignment and deadline and the next thing we knew she was done. We also had the same luck with our housing editor, Patty Kubina. Also, faced with conflict a numerous amount of times, Beth Marshall and Jenny Stole, were always there to smooth things out. As a result Beth and Jenny will be moving in as editors for the 1990 edition of the Bethanian. With great editors we can only expect great things!

Senior Denny Vavrlick, sports editor, looks on and learns a thing or two about layouts.

Smiling pretty for the camera is the infamous IBM computer. This was the first year the IBM was used and the results were worth the effort and frustration that went into learning how to use it.

Seniors Amy Dolan, Student Life editor, and Sally Seltz, Senior editor, conversing about year-book technicalities or the latest gossip?

The 1989 Bethanian Staff.

Bethanian's Chief Co-editors, Marybeth Prendergast and Lisa Wurst.

Sports editor, Jamle Hamm and associate editor, John Erfort, attempt to master the IBM.

Amnesty International

Bottom Row L-R: Dave Warwick, Jeff Fisher, Peter Jessic, Joell Nagy, Ella Belling, Second Row: Melissa LeMaster, Steve Vandevander, Todd Zalud, Jess Kilgore, Julie Amatangelo, Third Row: Tony Goethals, Jen Monroe, John Kren, Tom Santarelli.

International Student Society

Front Row L-R: Ahmed Mouein, Horacio Aveiro, Mohammed Choutay, Second Row: Anna Ponciano, Saskia Aguirre, Supriya Kutty, Faysal Sawtarie, Firas Hamouri, Back Row: Omar Jobe, Ebou Conetah.

Model UN

The Model UN was established five years ago. With the help of their advisor, Mr. Ossman the organization has been able to attend several programs this past year. Several of the members were able to use money from the allotted budget to attend a conference in Canada.

From R: Jessica Yeager, Carl Thomson, Mohamed, Eric Kocsis, Yvonne Pedes, Charlene Kelleher, Patty Lubina.

Midweek

Midweek is a Christian non-denominational fellowship group. They met regularly every Wednesday in Maxwells. In addition to their regular meetings they also had men's and women's Bible study groups. On several occasions they had speakers or movies and on one occasion they had a covered dish dinner and volleyball party. The group also sent students to Jubilee in Pittsburgh.

From R: Jo Johnson, Kim Pratt, Kathy Caldwell, Lori Hood, Bill Alexander, Lisa Bunker, Second Row: Henry Johns, Paul Turner, Stephanie Bonson, Denise Boice, Sharon Reyes, Rob Sydow, Saul Reyes, Mary Dean, Theresa Perkins.

Resident Assistants

Bill Burr, Carol Suder, Denise Doster, Kim Deeley, Ed Coleman, Penny Sykes, Tony Gogoles, Marybeth Prendergast, Terri Dugan, Lisa Wise, and Tony Tamules. Missing: Dana Buckelew, Kim Standord, Carrie Fuchs, Judy Johnson and Head RA, Stephanie Bonson.

Resident Assistants are the liaison between administration and faculty. Some of their responsibilities include enforcing rules throughout the freshman dormitories but most importantly being a confidant and a friend. This year the staff met weekly to discuss policies and conduct encounter group sessions which entailed further RA training. One of the more memorable freshman programs was held in the very beginning of the year. In light of the 1988 Olympics, the Resident Assistants and the freshman class participated in their own. This program plus several others were conducted throughout the year.

At the end of the year the RA's assist in the recruiting process for new RA's and the whole event happens all over again.

FAC

The FAC, Freshman Activities Council, consists of students who are dedicated to planning activities and entertainment for Bethany students. The group has a freshman representative from each hall at every meeting. This allows the freshman to have a strong voice in what is going on. The group met every Monday at six in Maxwell's. This year, FAC was responsible for the annual freshman Christman Formal, held in Renner Too and other more casual dances throughout the year. When Parent's Weekend rolled around the FAC was busy planning the Talent Show that has always proven to be a huge success.

Panhellenic

The Panhellenic Council was established to monitor the operations of the four sororities on campus. The Council also sets up guidelines for Pre-Rush and Rush functions.

Not only did they sponsor the annual Greek events such as: "Meet the Greek," Ice Cream Social for freshman and transfer women, and Trim-a-tree to decorate the cafeteria, they also hosted the guest speaker, Will Keim, who discussed such things as hazing, sex and alcohol abuse within the greek system. That's not all, the May 6th May Morning Breakfast, with guest speaker Susie Cummins, is yet another event that the Council proudly sponsors.

Art

Club

These are some of the works contributed to the Renner Union Art Show by some of the members of the Art Club which include: Sheri Stark, Ellen Cowhey, Steve Scott, Dan Elliot, Karen Abrig, Amy Maibach, Tracey Blando, Carol Campbell and Dawn Stein.

The Art Club is made up of Bethany students who have a flair for art, which can best be portrayed in the creations displayed at the Renner Union Art show. This Art show is one of the Art Clubs responsibilities. They are in charge of organizing this entire event. Other activities that the club is involved in include: field trips to Pittsburgh to Falling Waters and selling nachos at Foreign Language Day. The Club advisor is Bob Funk.

CHOIR

Pictured Above L-R: Bottom Row :Beth Coleman, Erika Seibel, Kathy Caldwell, Kim Pratt, Eric Johnston, Second Row: Bungard, Kim Sanford, Kristen Clark, Jennifer Schneider, Amanda Cooper, Third Row: Bill Alexander, Jeff Chapman, Eric Seller.

The Bethany Choir sings at all convocations and has two concerts during the year, one at Christmas time and the other in the Spring. '91 year the choir went on a Spring tour of the Diciples of Christ Church. They made stops in Virginia and Washington D.C. The Director of choir is Beth Dameir and the and the Accompaniest is Judy Allison.

Security is responsible for securing all campus buildings and responding to emergencies. Security provides some peace of mind to students and administration as well. They respond to all

kinds of calls from accidents scenes to fire alarms with the help of dispatcher Jean Depetro. This years new head of security is Chuck Dutton.

Act

S. O. S

Anna Ponciano, Elaine Velisaris, Advisor, Kathy Coram and Chris Cowden, missing from picture are Amanda Cooper, Sheri Gosselin.

The S.O.S club is a new group this year. The abbreviation stands for Students Offer Support. Most of its members are social work members and the clubs purpose is to help students deal with their problems through workshops and professional referrals. These work shops dealt with a variety of subjects, everything from suicide, date rape to eating disorders.

Kathy Coram is the advisor. The President is Elaine Velisaris and the V.P is Chris Cowden. The treasurer is Anna Ponciano and secretary, Amanda Cooper.

The psychology club has kept itself very busy this year with numerous activities. The members of the club took part in Bayer Wellness week on campus. The club sponsored several different movies

and events throughout the week. The club also assisted Dr. John Hull in both of his fall and spring blood drives. The club worked on improving the psychology lounge as well.

Pictured Below: Bottom Row: Tyler Newton, Cindy Drake, Vinny Loretto, and Ann Marie Parsh, Second Row: Jan Watson, Kevin Barry (President), Amanda Cooper Third Row: Jen Bojanowski, Jodi Wolfe.

PSYCHOLOGY CLUB

S.B.O.G.

S.B.O.G. President Jill Holloway signing her life away.

SBOG is the Student Board of Governors which is the official governing body at Bethany. SBOG is a way for each individual group on campus to communicate with one another and the rest of the student body. The President and Vice-President for the 1989 governing year are Jill Holloway and Todd Zalud. The two, along with their cabiner and memebers meet on Mondays in Renner Too

V.Pres. Todd Zalud concentrating on important S.B.O.G. business.

The S.B.O.G. Cabinet includes L-R: Thad Allen, Dan Steffen, Janice Graf, Jill Holloway President, Todd Zalud Vice President, Missy Onderick, Jeff Mills, Phil Gogol and Taylir Linden.

S.B.O.G. representatives discussing pressing issues of the day ...

French Club

The French Club takes part in various activities through out the year. Not only do they meet on a regular basis to maybe eat dinner together or just be social while practicing a little french but they also manage to get off campus numerous times as well. This past year the club had the pleasure of seeing the opera "La Boheme" which was playing in Pittsburgh. They also went to the Carnegie Museum to see French furniture. Advisor, Dr. Pauline Nelson, holds the annual French dinner in her home, where students cook various French foods. The club also plays an active role in Bethany Colleges annual Foreign Language Day activities.

Bottom Row: Amanda Cooper, Toni Sutton, Kate Butler, Kathy Arottl, Laticia Lafosse, Second Row: Judy Billisits, Butch McBride, Advisor, Dr. Nelson.

Suzanne McQuiston, Advisor, Michael Schmich, and Ida Cecchini.

German Club

The German Club has been very active this year. They have been responsible for arranging two important and memorable events. In October the club sponsored the annual October Fest, held in the cafeteria. The German club decorated the caf with various German flags. When Christmas rolled around, the club organized the tri-language dinner and also went caroling. Other activities included trips to Pittsburgh and eating in German restaurants. Most of the members include: Suzanne McQuiston, Ida Chichini, Sam Foreman, Melissa LaMasters, Bill Alexander, John Kell, Richi Sweeney and Advisor, Mike Schmich.

Spanish Club

The Spanich Club managed to stay quite active this year with several activities. Some of the major activies involved attending foreign language films and sponsoring cluv members, Ed Leberore and Derek Stubbs in a foreign language competition. The club was also involved in going off campus to hear lectures as well as bringing lecturers to Bethany. Advisor, Dr. Perez livened up club activities with an occasional party.

Bottom Row: Jenn Hodgdon, Rob Baran, Top Row: Tony Tamules, Dian Dantry, Rhonda Leisten, Derek Stubbs, Dave Douglas, Ed Liberatore and Advisor, Dr. Perez.

HONORARY

BETA BETA BETA

Tri-Beta is an honorary society for students involved in the biological sciences. The objective of Tri — Beta is to stimulate sound scholarship and encourage investigation of the life sciences.

SIGMA TAU EPSILON

Sigma Tau Epsilon is a local music honorary. The members of this society show musical ability over four semesters in one of the many Bethany music programs such as Choir, Jazz Band, and Chamber Ensemble.

Kalon

Bethany Kalon recognizes students who have demonstrated leadership in student activities and have been constructive citizens of the college community.

FRIENDS ARE FRIENDS

FOREVER

UP UP AND AWAY!!

Bethany's annual Spring Weekend was held on April 28-29. All of the activities were held under or around a giant circus tent next to the field house.

The weekend kicked off with a concert on Friday night by Otis Day and the Knights. They played such Animal House favorites as "Louie, Louie" and "Twist and Shout." Students danced and danced, infact two Bethany students, Amy Dolan and Jim Schmidt had the pleasure of joining Otis Day on stage for their own version of "Shout!"

saturday afternoon during a picnic lunch, comedian Rick Ariles entertained everyone by poking fun at Bethany College and even a few studnets. There were charicaturists, a palm reader, a juggler and even miniature golf. WVBC was broadcasting live throughout the afternoon whenever the Dyke and Steel Band was not playing. A full pi hadon was one of the best things to the week. The weekend was a mix of joy and excitement. There were about 4000 people in attendance.

on Friday night, Gene Cotton, a popular local singer with Bethany, performed to a large crowd.

The weekend planning by the student body and staff was a success. The weekend was off to a great start. The band 89 was the first to perform.

MAY MORNING BREAKFAST

The annual May Morning Breakfast was held on May 6th. This event is held in honor of our senior women and is sponsored by the Panhellenic Council.

Each year a highly admired woman who usually has some connection with Bethany whether it be an alumni or in this years case the Presidents wife, Susie Cummins is asked to address the audience.

Susie Cummins, who in her first year at Bethany has been a tremendous influence on the women in the Bethany community was the most appropriate candidate for this year's guest speaker. Her topic was entitled, "You Are Loved."

This 42nd annual event called upon the Bethany men to serve breakfast and offer us some "breakfast entertainment." Perry Pritchard did just that by providing elegant piano music. The Aleece C, Gresham Leadership award was presented to Carol Suder, a senior who is also the freshman programming assistant.

CLOSING

GREAT EXPECTATIONS

As the book and the year come to a close we look back on the events that have occurred at Bethany and around the world during 1989. We have seen the installation of two new Presidents, on the national level President Bush, and Bethany's own President Cummins. We at Bethany have also seen the arrival of a new Dean of Faculty-Dean Bernard. While students are busy at Bethany whether they stop to think about it or not things are going on around them. 1989 has been characterized with not only progress but some losses as well. The queen of comedy, Lucille Ball has left our world leaving behind her lifetime of comedy for all to enjoy. Andy Warhol has also passed on and has left phenomenal artwork for the world to enjoy and remember him by. Although this may be the closing to 1989's Great Expectation it is the only the beginning of more to come.

HONORS DAY

Honors Day and the Honors day convocation is characterized by many forms of recognition. The 1989 Honors Day convocation recognized many students for their accomplishments.

The ceremony begins with the senior class promendading in their graduation gowns, a forshadowing of what is yet to come. The faculty members dawned in their robes follow and proceed to the front of Commencement Hall.

Once the introduction is completed, the distribution of honors is underway.

First, the Woolery Cup award and the Anna Ruth Bourne award are given to the housing units with the highest grade point average. This year Kappa Delta and Phi Kapp Tau received such honors.

The announcement of outstanding junior man and outstanding junior women is information that is always eagerly awaited. This year it was no surprise when the outstanding junior man award was shared by an outstanding dynamic duo. Tony Tamules and Ed Coleman were the

campus leaders that were recognized with this award. The outstanding junior women award is also received by someone highly deserving, Jen Shneider has certainly excelled in involvement and in academics.

Next, new members of Honorary Societies are recognized, which include Kalon and Gamma Sigma Kappa. Before the ceremony comes to an end the best is always saved for last. The outstanding Senior man and women are honored for their accomplishments. There was no doubt that leadership and campus services were taken into account when Dave Douglas was awarded with this honor. Also, outstanding academic excellence combined with unyielding campus involvement were factors that made Joani Graf the most suitable candidate for this honor.

Finally, honors day continued with a "tea" on the President's lawn and a taste of what Commencement has in store for our seniors.

Outstanding Senior Women, Joan Graf and Outstanding Senior Man, Dave Douglas, receiving their awards.

Left: Outstanding Junior Women, Jenn Shneider receives her award from Mr. Taylor. Bottom: Conversing at the Honors Day Tea are Chris Schwartzel and Troy Costain.

President Cummins welcomes guest to the Honors Day Tea held on the lawn of Pendelton Heights.

The Honors Day Tea is enjoyed by proud students and proud parents.

Recognized students enjoy the Honors Day Tea and a chance to "chat" with the President.

Outstanding Junior Men, Ed Coleman and Tony Tamules receive their honors from Darlene Nicholson.

***“I Wandered Lonely As A
Cloud”***

*I WANDERED lonely as a cloud
That floats on high o'er vales and hills,
When all at one I saw a crowd,
A host, of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.*

*Continuous as the stars that shine
And twinkle on the milky way,
They stretched in never-ending line
Along the margin of a bay;
Tossing their heads in sprightly dance.*

*The waves beside them danced; but they
Out-did the sparkling waves in glee:
A poet could not but be gay,
In such a jocund company:
I gazed-and gazed — but little thought
What wealth the show to me had brought:*

*For oft, when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye
Which is the bliss of solitude;
And then my heart with pleasure fills,
And dances with the daffodils.*

— Wordsworth.

BETHANY'S

PAINT COLLEGE HEALTH & N

GREAT

FUTURE . . .

EXPECTATIONS

COMMEN

CEMENT

1.9.8.9

On May 28, 1989 the graduating class took part in their final ceremony at Bethany College before crossing over into Alumni status.

Although the sun was shining brightly, there had been rain for several days preceeding graduation so the ceremony was held inside at the fieldhouse.

President Duane E. Cummins kicked off the ceremony with optimistic opening remarks. Cummins also explained that Gov. Gaston Kaperton, who was to be the quest speaker at the ceremony would be unable to be there to address the graduating class because he had lost his father over the weekend.

The ceremony ran smoothly with several students recieving the honors of cumm laud, magna cum laud and summa cum laud.

Outstanding seniors Joani Graf and David Douglas delivered optimistic speeches to their peers concerning the importance of keeping friendships and experiences that had been part of their college years with them for life; while learning and growing from them.

We say farewell and good luck to our graduating class and have the "Greatest Expectations" for their future.
